

That Lame Back Means Kidney Disease

And to Relieve the Lame and Aching Back, You Must First Relieve the Kidneys

There is no question about that at all—for the lame and aching back is caused by a diseased condition of the kidneys and bladder. It is only common sense, any way—that you must cure a condition by removing the cause of the condition. And lame and aching back are not by any means the only symptoms of derangement of the kidneys and bladder. There are a multitude of well-known and unmistakable indications of a more or less dangerous condition. Some of these are, for instance: Extreme and unnatural lassitude and weariness, nervous irritability, heart irregularity, "nerves on edge," sleeplessness and inability to secure rest, scalding sensation and sediment in the urine, inflammation of the bladder and passages, etc.

DeWitt's Kidney and Bladder Pills are an exceptionally meritorious remedy for any and all affections or diseased conditions of these organs. These Pills operate directly and promptly—and their beneficial results are at once felt. They regulate, purify, and effectually heal and restore the kidneys, bladder and liver, to perfect and healthy condition—even in some of the most advanced cases.

The only witness you have is the money you save. A person able to earn money is, with the Peoples Bank also capable of saving a part of it.

Contrary to the proposed plan of leaving all legislation of importance for consideration and action after the holidays, Chairman Tawney of the Committee on Appeals, declared that several appropriation bills can be prepared and passed before Christmas adjournment, and wants this done. Chairman Payne, of the Ways and Means Committee, indorses the Tawney proposition.

TO EXPLORE OCEAN BOTTOM

Six John Murry, of the Challenger, is preparing to sound the depths of the ocean once more. The King of Norway has placed at his disposal a government ship, the Michael Sars, and in April, with a properly equipped scientific staff on board, she will begin to scour the bottom of the North Atlantic. The voyage will start at the Canaries and proceed northward as far as the Faroe Islands, if time permits. One object in view is to test appliances devised in recent years in the endeavor to procure new information. Trawls will be set for a depth of three miles and a half, and fine silk nets will be used to secure minute animal and vegetable specimens. A new current measuring instrument which has proved successful at two hundred fathoms will be tried at greater depths, and attempts will be made to force long tubes into the deposits at the ocean bottom, for so far this has not been penetrated deeper than eighteen inches. Countless biological and physiological problems remain to be solved, and thought deep sea investigations, American and European, of the Atlantic have not been uncommon of late years the names of the Prince of Monaco and of Alexander Agassiz will occur at once there is no doubt that Sir John Murry and his associates will be able, with ordinary success, to add much to our knowledge of our own home ocean.

HOPEWELL

The little son of George Perciful is thought to have scarlet fever but is doing nicely. Bob Norton came over to attend church at Hopewell. We are glad to see old time church members come back to see and be with the fold of God. Wm Sowder will move to Mt. Vernon in the near future. We are sorry to see him leave our community. James Winsted will move to Mrs. S. B. Davaults farm soon. There will be a series of meeting held at Hopewell beginning Dec. 18th. Everybody is invited to come. The Holy Rollers, as they are called, but we trust we can call them Christians, are holding a series of meeting at the New Methodist church near Hopewell. We are glad to see the good work going on.

The work on the new Baptist church at Hopewell is progressing nicely. We hope the good people of Rockcastle will donate and help the church. Dear Editor we read in your paper, from different people the good talks on education, good roads good government and good times in all our land. We are glad to have their idea on these subjects. We believe in every thing that is for the betterment of our homes, our children, our country and our country at large. But the Savior of the World said to us all, "First Seek Ye the Kingdom of God and His Righteousness and all these shall be added to you." Now we hope that all good people will advocate these good principles to the rising generation so that our neighbor and friends can lay down at night with a full assurance that his life, his family, his goods and all his property are safe.

Micajah Sowder has bought from Luther Manus his saw mill and will move it to his home soon. Wm. Perciful has moved to the farm of Luther Manus, Mr. Manus has moved to Mt. Vernon. Christmas is near at hand and how many little tots hearts will be made glad and how many little hearts will be sad and wishful. May God bless the little children.

The National Monetary Commission has completed a comprehensive study of the banking and monetary systems of the leading nations of the world and will soon publish a limited number of volumes containing the details and results of its findings. Congress will be asked to authorize the publication of the volumes in large number for sale at a nominal price.

A bedford [Ind] lawyer, while protecting himself from a sleet storm with an umbrella, was struck by a lost loon and thought he was being attacked by a footpad. The water bird struck its victim with much force and bruised his face considerably.

The Secret of Youth

Do you ever wonder how you can remain young, or why other women older than you, look younger than you do? The secret can be put in a few words: "Preserve your health, and you will preserve your youth."

By "health" we mean not alone physical health, but nerve health, as, sometimes, magnificently strong-looking women are nervous wrecks.

But whether you are weak physically or nervously, you need a tonic, and the best tonic for you is Cardui.

It builds strength for the physical and nervous systems. It helps put flesh on your bones and vitality into your nerves.

Take CARDUI

The Woman's Tonic

"My mother," writes Mrs. Z. L. Adcock, of Smithville, Tenn., "is 44 years old and is passing through the change of life. She was irregular and bloated and suffered terribly. My father stepped over to the store and got her a bottle of Cardui, which she took according to directions and now she is up, able to do her housework and says she feels like a new woman." Try Cardui in your own case.
